PRINCIPAL'S REPORT

June 9, 2000

Joe Draper

Summer school is scheduled to run from June 1st to June 30th 2000. Summer school will be taught by Wilma Adams .Primary grades; Jon Fager .Upper elementary and we are uncertain who will teach Jr. High/Fligh School. Mr. Chapm agreed to teach this position but when I spoke with him last evening he was not sure he could be back from Wyoming in time to do it. Mr. Weltz is inquiring about changing his travel plans in order to teach. I should know before the day is out today.

Graduation is planned for June 10, 2000. Teresa and Ken Sweenhart worked with the ~senior class to plan the ceremony. It will follow the traditional program. See attached draft of the program. The current plan is to have Rick K. seated on the platform to present the diplomas.

Staff meeting concerning the new contract was attended by all Board members. A plan is being drafted for the use of personal days before and after vacation.

Student and Parent **Handbook** 2000-2001 is mailed to the publisher. We met the deadline. Thanks to the Board and Mr. Conwell.

Schedules for August are nearly completed. A few conflicts exist but we will work to eliminate or minimize them. All in all, the schedule is an improvement.

Have a great summer.
