***Unalaska City School District
Mission Statement:***

The Unalaska City School District, an educational and cultural center in the dynamic, Aleutian Island fishing and transportation hub of the Pacific Rim, will challenge and inspire all students to maximize individual potential in a changing global society by providing superior facilities, staff and programs to serve a diverse population through multi-cultural community partnerships.

“The Board encourages the public to participate in their children’s education through all means, including board meetings. To facilitate better understanding of any item on the agenda, the board recommends the public contact the District office prior to the board meeting to clarify any agenda item.”
