

Student Representative's Report

February 15, 2001

Trever Shaishnikoff

It has been a busy month for Unalaska's basketball teams since the last meeting. At the Cook Inlet Invitational Tournament, the boys had a 1-2 record while the girls were 0-3. Jude Newkirk won the free throw competition while Zara Kochuten and myself were named to the all-tourney team.

Unfortunately, the Aleutian Tournament was cancelled for this year, leaving the senior class with six hundred McDonalds cheeseburgers that they were planning to sell over the weekend. The following weekend the boys went to King Cove while the girls traveled to Sand Point. Both teams earned 1-2 records and ended up getting stuck in their locations for an extra day.

I have received a lot of feedback on the raising of the math requirement, a surprising amount was positive. This was difficult for me to believe because high school students generally do not like to be told that they have to take more math classes. Unalaska students must just like math.

I apologize for missing another meeting, this time I will be in Nenana, Alaska for the Nenana Invitational Tournament. I look forward to the next meeting that I am able to attend.
