Last weekend the Drama Club performed their much awaited night of short skits. The admission was free and the turn out was better than was to be expected. The students in attendance voted on the best performance and Tony Garcia was chosen over all.

Mrs. Roraback held her dance and poetry night this Sunday. Many proud parents were in attendance. Many of the poetry performances competed in the Russian Language competition in Anchorage. Many students were awarded medals for their hard work. While at the competition, students were treated to lectures on Russian culture topics.

Everyone's excited about prom this weekend. The junior class is scrambling to get everything ready. Graduation is next weekend, and seniors are excited to start their new lives. The students who will be attending school next year have chosen their classes for the next year and are excited for what is to come.
