Principals' Report for Dec. 15, 2005**

December is a busy month at the schools. The sixth grade, junior high, and high school bands entertained the community with instrumental sounds of the season on Dec. 8th. Then on Dec. 9th grades K-5 and some 6th graders gave a beautiful Holiday performance. The grand finale was pre-school on Tuesday Dec. 13th. What an awesome job from our amazing students!

In addition, third and fourth graders eagerly entertained parents on Dec. 8th during the school day with plays and songs. Once again, the students were fantastic!

Ms. Nielsen headed up our food drive. The elementary collected over 1000 cans. Thank you to our community for supporting this event!

Aline Nguyen, Alicia Murray, Caroline Nguyen, and Ryan Burnias have been selected as Students of the Week during the past month.

The Unalaska Raiders volleyball team placed 5th at their regional tournament in Bethel. The volleyball team was given the tournament's academic award for having the highest team GPA in Region 1 South.

The wrestling team placed 3rd in the large schools division at their meet in King Salmon. Four wrestlers advanced to the State Championship held at the Wasilla Sports Complex last weekend. Jesse Kueber placed 2nd and Brady Echevarria placed 3rd in their respective weight divisions. Cody Merrifield and Michael Lynch were the other two state qualifiers. Both the wrestling and volleyball teams had great seasons!

Raiders basketball kicks off its season this Friday night with the boys traveling to King Cove, and the girls hosting the King Cove Rookies. Game times are 7:00 PM Friday and 11:00 AM Saturday. Both teams will travel to Nome and Kotzebue for a five game series January 9th – 15th, 2006.

Sandy Lamoreaux and John Conwell
